

orderable i piasev success ubi.

2 peduncles

Harpagiferus forms hydromer-

i piece wch. like you organi. O. tubularis

hyd. form. wch. like hyd. i suctum.

Dorymychus subrigidus.

Moss, certain

rhizome where no prop. oblique

rhizome know wch., like i said.

Dorymychus - Moss like wch. similar

older; interior, 20' ft. i not very big wch. w

older pieces make 2 processes, one

middle, very noble wch. other wch. is more

worn & worn pieces wch. like this, shorter,

like 2 rusty wires which make i more
